Greater Clothing Values Here than Anywhere Else

Our Fall Opening of Very Fine Men's, Boys' and Children's Clothing.

These styles are the advance guard of a host of wonderful values we have prepared for our clothing patrons. Months ago our clothing chief was testing and buying cloth—placing immense orders for the proper manufacturing of our mammoth fall stock. Every garment shows that perfection is only attained by expert attention to each detail of style, trimming and finish.

Our prices are easily proven lower than those on similar qualities, so loudly and extravagantly claimed to be worth more money. The rapid growth of our immense clothing department will alone suffice to prove the value of our merchandise. Merit will tell; the quality is here—without exaggeration the best money's worth in New York.
